

Rainbow is making new shirts and we need your help!
We are taking submissions for new t-shirt designs from local artists and designers, and we will select two or three of our favorite designs to do a limited run of shirts that will be made available for sale on Record Store Day (April 16th).

All designs must be submitted by (March 20th) in order to be considered for selection.

Drop off your completed design at the store during hours of operation, or send a PDF of your image to rainbowrecordsde@gmail.com. Significant portion of sales will go back to artists whose designs are chosen.

SPECIFICATIONS

- design should not be overly-intricate (as this makes it harder and more expensive to reproduce)
- design must incorporate store name ("Rainbow Music & Books" or "Rainbow Records") and "Record Store Day April 16th 2011"
- when submitting design, please specify color ink you would like image to be printed with, and on what color shirt (visit <http://www.anvilknitwear.com/Colors/Anvil-Apparel> to view colors. You may choose between White, Black, Navy, Smoke or City Green)
